

In response to the increased level of concern for Covid-19, the City of Glenwood City is closing City offices and buildings starting November 16th until further notice. City staff, Public Works and Police personnel will be working so if you have any questions or concerns please feel to call. **City Clerk's office can be contacted at 715-265-4227, Public Works can be contacted at 715-265-4928, and Police can be contacted at non-emergency dispatch at 1-800-281-3478.**

At this time, it is our intention to maintain all essential/critical City functions with our employees continuing in their normal capacity while working remotely and/or within the facilities closed to the public.

All residents needing to make payments to the City can do so by mailing or placing their payments in the drop box located outside of the Municipal Building. The Recycling Center will still be open for drop off during normal hours without contact by City personnel.

The City of Glenwood City will continue to provide regular updates on its Facebook page and website and the Glenwood City Police Department Facebook page as the situation warrants regarding cancelations, postponements, or closures.
